of Greater Pittsburgh

A woman's touch
has the **power**
to change a
community 

From programs that enhance the self-esteem, education and social development of young girls, to those that create awareness of health issues for women, Highmark is dedicated to ensuring the women of the communities we serve have access to the care they need to lead happier, healthier lives.

HAVE A GREATER HAND IN YOUR HEALTH™

Women's Center & Shelter of Greater Pittsburgh

Welcome and thank you for joining us for the *eighth annual Highmark Shop to Stop Domestic Violence* benefiting the Women's Center & Shelter of Greater Pittsburgh! We are pleased to continue the tradition of this event.

The Women's Center & Shelter also extends its heartfelt thanks to Highmark and all of our sponsors who have shown their commitment to ending intimate partner violence in the lives of women and children. Also, thank you to Continental Real Estate and Galleria merchants for not only providing us with this beautiful space in which to hold our event, but for offering generous discounts as well. Thank you to our volunteers, in-kind donors, and entertainment including the Dan Baker Trio, Harmony Singers, WTAE's Andrew Stockey and 96.1Kiss's Cathy Schodde, and our other local fashion models.

We also extend our thanks to you, our constant supporters who make it possible for WC&S to provide shelter and services to victims of intimate partner violence and their children. Without your continued help, WC&S would not be able to provide our services free of charge to more than 6,000 women and children each year. Our services include: 24-hour Hotline and Shelter, Legal Advocacy, Counseling and Support Groups, Children's Center, Medical Advocacy, Education and MEN/s Group. Your support provides this comprehensive set of services addressing intimate partner violence in the Pittsburgh community and beyond!

Thank you again for your support. We hope you have a wonderful evening!

Sincerely,

Linda Thier
